Knitted Leaves

Yarn: A small amount of any yarn. The leaf in the image was made with 8ply acrylic yarn called Marvel by Moda Vera. If you'd like to try it in wire, I'd recommend 36 gauge beading wire held double.

Needles: Straight needles appropriate for your yarn. For guidance on the right size needles to use, look at the yarn's ball band. You may also like to do a tension swatch to see how the yarn looks knitted in your needles.

Notions: Scissors, darning needle, row counter (optional)
